ABOUT ME

Graphic designer by birth but graduated in it since 2010, at the Escuela de arte número diez (Madrid). Working as such since before 2005 in sporadic jobs, I formalized my career as a designer in 2011, directing the graphic part of "UP studio". In 2019 I became part of the team of Comercio Inteligente, as Art and Project Manager, and until now I've been directing the Uthorp project.

SKILLS

Video Editing & Motion Graphics.

Editing and Motions Graphics for any kind of video.

Creation of Websites with Wordpress.
